

## **CHAPTER 4: WEB RESOURCES**

### **Personality Type**

PersonalityPathways explores personality type and Myers-Briggs Personality Type applications. This Web site provides an in-depth introduction to the Myers-Briggs Personality Type and the MBTI.

[www.personalitypathways.com](http://www.personalitypathways.com)

At the official Web site of the Myers & Briggs Foundation, you can learn more about the MBTI and explore its uses in everyday life.

[www.myersbriggs.org](http://www.myersbriggs.org)

The Personality Assessment System Foundation exists to further the study of the relationship between intelligence and other personality variables as they interact to influence human behavior. Explore Dr. John Gittinger's philosophies here.

[www.pasf.org](http://www.pasf.org)

This Web site discusses another personality type indicator, the Keirsey Temperament Sorter. It also provides information about personality, character, and temperament.

[www.keirsey.com](http://www.keirsey.com)

The Carl Jung Page has been providing articles, reviews, and a wide range of resources in Jungian psychology since 1995.

### **Personality Tests**

The BBC features some of the most fun and fascinating psychology tests on the Web. Find out how your personality suits careers, how it affects your self-control, if there's a connection between your personality and what type of art you like, and much, much more. Start at <http://www.bbc.co.uk/sn> and navigate to Human Body & Mind. Then click Psychological Tests to explore all the current surveys.

<http://www.bbc.co.uk/sn>

HumanMetrics was founded in 1996 to provide online testing in the fields of personality, relationships, and entrepreneurship. "Know your traits before you try your fate."
